

2003 PMEL Reunion Dinner

Notes:

The 28th Annual PMEL Reunion Dinner was held on December 6, 2003, at the Doubletree Hotel Denver Southeast. We had about 44 in attendance and I hope all had a good time, I did. At this time, it looks like we will be there again next year, December 4, 2004. We had many people taking digital pictures this year and I have had a hard time picking out those to post. I think I have pictures of all those that attended. In the 2nd picture, Lee Lawson's name plaque is shown on the table. Lee says it was misplaced during one of his recent moves. Bill Morrison found it in an estate sale and it was returned to Lee at our last luncheon at Fat Boys.
